## Terms and conditions

- I hereby apply for a temporary water disconnection at the above address. I am aware that this may take up to 14 days to action
- If I have a metered supply and the meter records consumption after the disconnection has occurred, I will be invoiced for any water usage
- If I am charged for surface water drainage, I will continue to make payment for this service
- A temporary disconnection may involve turning off a stop tap, fitting a no flow plug or other means as determined by our staff
- If a reconnection of this water supply is required, I understand this is a chargeable service and I will be invoiced at a future date
- Welsh Water take no responsibility for any deterioration of pipe work, leaks, effect on boilers or other equipment due to this request.
