Or you can contact us on cartref@dwrcymru.com

Repairs are limited to replacing leaking ball valves and syphon units where water is being lost from the cistern into the main bowl of the toilet or overflow pipe. One free repair is available per customer every 3 years. For more information on the scheme visit our website www.dwrcymru.com/project-cartref

TŶ BACH YN GOLLWNG?

OS SBOTIWCH CHI,
FE STOPIWN NI.
